Canadian National Hindu Conference 2026

Vishwa Hindu Parishad (VHP) Canada VHP Canada is dedicated to uniting Hindus in Canada while promoting and preserving Hindu Dharma, values, and cultural identity. The organization fosters self-respect, inclusivity, and respect for all communities, and promotes universal values like Vasudhaiva Kutumbakam (the world is one family). It supports education, social service, and humanitarian aid, advances spiritual teachings and religious practices, collaborates with institutions, and conducts programs, training, and outreach to benefit society at large. **VISIT: WWW.VHPCANADA.CA**

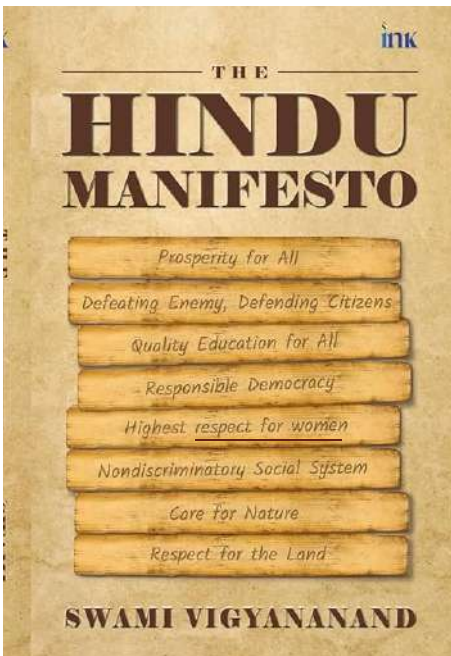

The Canadian National Hindu Conference 2026 in Ottawa is a defining moment for the Canadian-Hindu community – a bold call for unity, leadership, and collective action. Building on the momentum led by Vishwa Hindu Parishad VHP Canada and HOTA Forum - Hindu Organizations Temples and Associations Forum (HMSEC Canada), this year marks a historic milestone with the launch of the *World Hindu Economic Forum – Canada Chapter*.

This is about preserving our spiritual and cultural roots while promoting economic empowerment, strategic collaboration, and a strong, united Hindu community for generations.

Guided by Swami Vigyananand Ji and blessed by revered spiritual leaders including Sri Sri Ravi Shankar Ji, Sadhguru, Swami Mitranandaji, Swami Gunsagar Ji, and Shri Vrajraj Kumarji, the first conference united 750+ delegates from 110+ religious and community organizations. Scholars, business owners, professionals, community leaders, and political representatives came together to build trust, align vision, and affirm the collective voice of Hindus in Canada. Join us in Ottawa as leaders from faith, academia, business, and public service unite. Rooted in 'Vasudhaiva Kutumbakam,' we advance dialogue, leadership, and community for a stronger, inclusive Canada.

Swami Vigyananand is a distinguished scholar, intellectual, and inclusive leader within the global Hindu community. He holds a BTech degree from the Indian Institute of Technology (IIT) Kharagpur and later pursued advanced studies in Sanskrit grammar and Hindu Philosophy, earning the titles of Acharya and Vidyavaridhi. He is the visionary behind the World Hindu Congress (WHC) - a global platform designed to connect, inspire and mobilize Hindus to accelerate the Hindu renaissance, and the World Hindu Economic Forum (WHEF), which works to promote economic prosperity in society.

Launch of the Hindu Manifesto at the 1st Hindu Conference: A word from the Author - The Hindu Manifesto presents a Dharma-centred model to shape a just, prosperous, and harmonious future for the world. Rooted in sacred texts such as the Vedas, Ramayana, Mahabharata, Arthashastra, and Shukranitisar, it offers a transformative framework for prosperity, governance, and justice.

The book is based on eight guiding principles, or Sutras, that emphasise prosperity for all, national security, quality education, responsible democracy, respect for women, social harmony, sacredness of nature, and respect for one's heritage.

The Hindu Manifesto is a blueprint for a civilisational renaissance and a call to action. - **Swami Vigyananand**
